Quick!  
Get me the  
pain reliever  
doctors  
recommend  
most!

What makes you think it's not gonna work?

Because we keep getting Captain Kangaroo.

My  
own son —  
a  
jaywalker!

Stop me  
if you've  
heard this  
one before.

Hey, you've  
been away too  
long, Charlie.  
I'm a boy!

A black and white photograph of a man dressed as Frankenstein's monster. He is standing in a doorway, with his arms outstretched to the sides. He is wearing a dark, high-collared suit. The background is a stone wall and a wooden door with a lattice pattern. A speech bubble is positioned above his head, pointing towards him.

Avon  
calling!

"Jolly Green  
Giant"  
my eye!  
Keep running!

I want  
to thank you  
all for coming  
to my Bar  
Mitzvah.

Ring around  
the collar!  
Ring around  
the collar!

Awright,  
you win!  
No more  
ethnic jokes!

Sleep tight,  
my dear.  
If you want  
anything,  
just scream.

Hi there!  
I'm your  
Vista  
volunteer!

What's  
wrong?

We forgot  
to bring  
the  
Coppertone!

Don't  
stop the  
music. I'm  
turnin'  
on!

I'm glad  
I use  
Dial soap.

I wish  
everybody  
did.

Wow!  
That was  
the last X-rated  
movie I'll ever  
see!

Boy!  
Have you  
got athlete's  
foot!

Sorry.  
No one  
admitted  
without a  
jacket.

Only you  
would show  
up in a  
rented  
tuxedo!

You mean  
I'm through  
being Mr.  
Clean?

Okay, monster lover, it's time to take a break. If you're a typical fiend-fan (and who isn't?), you've probably been growling "Sheeesh! I can write better captions than these — even with my webbed, decaying fingers!"

Well, in the cadaverous kindness of our horrific hearts we're gonna give you a chance — a chance to prove that we're not the only ones who can garnish a ghastly picture with a goofy gag, ending up with a gruesome grotesquery!

So, sharpen a pencil till it matches your pointy little head, and fill in the blood-stained balloon on the opposite page. Those who send us the most monstrous manifestations of what Dracula may be thinking or declaiming will find their names and submissions printed here in a future issue! (And if that doesn't discourage you, you're a real gone ghoul!)

Just send your eerie little entry to Sinister Stan, c/o MONSTER MADNESS, 575 Madison Ave, NYC 10022 — and be sure to include your name and address. We may not print it, but the Count wants to know where you live!

P.S.: Our titanic third issue will be loaded with stupefying surprises! Yep, in ish #3, all you fiendish ones will find:

- Brain-blasting brand-new letters pages!
- The usual plethora of phantasmagoric photos!
- The winner of our "What Is Lon Chaney Saying?" Contest from ish #1!
- Plus tortured pages of terrifying text!  
(Which means you'll finally haveta learn to read!)
- And any fearsome, frightening features we can furnish for you between now and then!

For you to fill in

And now, back to our loathsome lovelies —

You  
can get  
anything with  
Master Charge!

But I  
can't  
take you.

You're too  
young to  
see Fritz  
the Cat.

For my  
next number,  
I'll conduct  
Handel's  
Messiah.

Mr. Nader,  
there's this  
hair tonic  
company I'd  
like you to  
investigate.

I was  
a skinny  
kid till  
I discovered  
isometrics.

Darling,  
say those  
three little  
words I'm  
longing  
to hear.

Buy  
a wig.

It's midnight –  
and I've changed!  
At last I know  
the horrible  
truth –

It isn't  
nice to fool  
Mother  
Nature!

This is  
the last  
time I date  
a boy who  
doesn't  
have a  
car!

Wotta  
life! All  
day long  
testing  
wash-'n-wear  
clothes!

Hi.  
I have  
a gift from  
your Welcome  
Wagon.

Say it!  
Say it!

Okay!  
You do know  
how to  
stop a nose  
bleed.

That does it!  
Tomorrow I  
buy a Sealy  
Posturepedic.

First,  
make sure  
he's got  
Blue Cross.

A black and white illustration of a large gorilla, likely King Kong, roaring with its mouth wide open, showing sharp teeth. The gorilla is holding a large bird of prey, possibly a condor, by its neck. The bird has its wings spread and its beak open. The gorilla is standing on a rocky ledge or cliff. In the background, there are mountains and a cloudy sky. A speech bubble is positioned near the gorilla's head.

Who  
called  
my kid a  
monkey?

Darn!  
Another  
Exedrin  
headache!

Oh no!  
You're not  
sticking me  
with some  
crummy  
blind date!

Elephant Lib?  
You're puttin'  
me on!

Why can't  
I toss people  
down the  
well?

Because  
it's  
a no-no!

All I  
did was  
offer the  
lady a  
Tiparillo.

Well,  
it takes  
one to  
know  
one.
